

## U. S. Suggests Compromise in Steel Talks

NEW YORK (AP) — Steel industry negotiators resumed efforts today to reach a new management union work agreement. Both sides denied knowledge of a reported effort by federal officials to settle the dispute.

"All I know is what I read in the papers," said David J. McDonald, president of the United Steelworkers of America. "No one has contacted me about anything."

R. Conrad Cooper, executive vice president of U. S. Steel Corp., and top management representative, declared, "We also know nothing of any such move."

Cooper is to be in Washington tonight to see Joseph F. Finnegan, national director of the Federal Mediation Service, and to dine with a group of senators.

The current three-year contract in the basic steel industry expires eight days from now. If no agreement on a new contract is reached by then, 500,000 union members will almost certainly strike in plants that produce 90 per cent of the nation's steel.

The negotiations, which started May 5, are still deadlocked.

Although President Eisenhower has declared the government should maintain an official hands-off policy, it was learned in Washington the government was sounding out both sides of the compromise suggestion.

Everything being done in behalf of the compromise proposal was very informal. But the behind-the-scenes activities of some government officials were increasing as the contract expiration grew closer.

The industry held out for weeks for a one-year freeze on wages and other benefits, contending that this would help curb inflation. The union has been demanding a substantial wage increase—not yet settled—along with a cut in the normal 40-hour work week and other benefits.

## Singing Club to Meet Tuesday Night

Hempstead County Singing club will meet Tuesday night at 7:30 o'clock at Garrett Memorial Baptist Church. The public is invited.

## Weather

Experiment Station report for 24-hours ending at 7 a. m. Monday: High 88, Low 65; No precipitation. Total 1959 precipitation through May, 17.08 inches; during the same period a year ago, 27.34 inches.

Arkansas Regional Forecast  
Central, southeast and southwest Arkansas: Partly cloudy and continued warm this afternoon, to night and tomorrow with widely scattered afternoon and evening thundershowers, winds light to moderate southerly to southwesterly, increasing humidity. Tuesday, partly cloudy and warm with scattered afternoon thundershowers. Highs this afternoon near 90, lows tonight upper 60s central, near 70 southwest and mid 60s to low 70s southwest.

Northeast and northwest Arkansas: Partly cloudy and continued warm this afternoon, to night and tomorrow with a few scattered showers and thundershowers, winds light to moderate southerly to southwesterly, increasing humidity. Tuesday partly cloudy and warm with scattered afternoon thundershowers. Highs this afternoon near 90, lows tonight mid 60s to high 70s.

## Motorcycle Flip, Man Is Injured

A Michigan man was painfully injured Saturday when the motorcycle which he was riding hit the shoulder of the Highway and flipped between Hope and Emmet on Highway 67. Wilbur Porter suffered severe cuts which required 23 stitches on his arms and knees. His condition was not critical, he told investigating state police that he hit the shoulder of the Highway in order to avoid crashing into a car which had pulled onto the Highway from a side road.

## Little Rock Board May Poll the Students

LITTLE ROCK (AP) — Little Rock School Board members have said a poll should be conducted to determine how many students would attend integrated schools.

The members also agreed generally that full use should be made of Arkansas' pupil placement law in assigning students to various schools.

The members were contacted individually by the Arkansas Democrat Saturday.

The survey was suggested in view of an anticipated teacher shortage when the city's four high schools — closed by Gov. Orval E. Faubus last fall — are opened.

About 38 high school teachers have resigned this year and have not been replaced pending final determination of the school situation.

A recent report from junior high principals showed that out of about 1,400 ninth graders, all but 200 indicated they would attend public schools if they are available next fall.

Meanwhile, officials of the private, all-white Roney High School said the institution would operate next fall on the assumption that public schools would be integrated.

They also said Roney would charge tuition. It was operated tuition-free this year.

## Miami Awakes to Sunshine After 7 Days

MIAMI, Fla. (AP) — Rain-soaked Miami awoke to bright sunshine today and the weather man said improvement in the night after nearly 20 inches of rain, most of it in the last seven days.

It already is the wettest June on record, with 19.67 inches of rain for the first 21 days.

"Some showers are still around and the wind condition may bring some afternoon rain but not like we've had for the past few days," the Miami Weather Bureau said.

"We're getting back to the usual summer pattern now."

There were broken cloud layers over most of Florida this morning, including Miami, but no overcast. It was clear at Tallahassee, the state's capitol, 450 miles north-west of Miami.

Thundershowers dumped tons of water on Miami Saturday night, enough to give this resort city seven consecutive days of rain and break the record of 19.54 inches set in June 1942.

The rain flooded streets and lawns and left business at a standstill. Pot holes developed in many western parts of the city Sunday night but forecasters said they were not unusual for this time of year, with thundershowers coming over from the Everglades.

## Got His Reward for Going to Church

GETTYSBURG, Pa. (AP) — Roy Palmer Jr., 13, failed to reach the course in time to caddy for the golfer.

He had been delayed by attending services at Gettysburg Presbyterian church. When he reached the course late, the other caddies ribbed him for missing out on his regular job.

Roy sulked under a tree until a golfer called him over and slipped a \$5 bill into his hand.

"That's for going to church this morning," the golfer, President Eisenhower, told the boy. The President who also had attended the services but had reached the course more quickly than Roy, had seen the boy in church.

## Fire Destroys 4 Texas Buildings

ALVIN, Tex. (AP) — Fire destroyed two downtown buildings and heavily damaged at least four others in this southeast Texas town early today. Unofficial estimates placed the loss at \$250,000.

## Congress Will Scramble to Pass Money Bills

By JACK BELL

WASHINGTON (AP) — Congress heads into its annual end-of-June scramble this week to pass as many as possible of its big money bills before the new fiscal year begins July 1.

The House already has acted on most of the annual appropriations bills, but many still lie ahead for the Senate. Compromises of Senate and House versions also must be worked out.

Even after other money matters are straightened out, Congress still faces political battles over such major issues as the foreign aid program, an anti-racketeering labor bill, civil rights legislation and possibly some action on federal aid to education.

Threats of presidential vetoes already have forced Democratic wrangling of spending programs in such fields as housing and airports—a situation which brought criticism of Democratic leaders Sunday from two liberal groups.

But while President Eisenhower has managed to hold down spending in some fields, the dedicated Republican ranks in Congress lack the power to force action on some of his requests.

Enough conservative Democrats are willing to join the Republicans to make vetoes stick. But not enough of them are available to get the wheels moving on increases in the gasoline tax and postal rates Eisenhower requested.

While he seems to get an increase in the national debt limit he has asked for, Eisenhower may have to worry along without any immediate raise in the 4 per cent interest ceiling on long-term government bonds.

The National Committee for an Effective Congress said in a report that democrats have lost their head of steam from last year's election victories and have become "prisoners of the spending issue."

Among members of the NCEC are Robert R. Nathan, economic consultant and national chairman of the American Association for Democratic Action; Sumner Welles, under secretary of state under Franklin D. Roosevelt; poet Archibald MacLeish and composer Oscar Hammerstein II.

In a separate statement as ADA chairman, Nathan specifically named Senate Democratic Leader Lyndon B. Johnson of Texas among the leaders he said surrendered on housing and airport aid funds without firing a shot.

## 34 Canadian Fishermen Dead, Missing

ESCOMINAC, N.B. (AP) — At least 34 fishermen were dead or missing today as a scorching blast scorched the Northumberland Strait for survivors of the weekend storm that battered the Gulf of St. Lawrence fishing fleet.

Twelve men were known dead and 22 were listed as missing.

The Royal Canadian Air Force reported 22 derelict boats were spotted by search planes Sunday along the 30-mile coastline between Point Escuminac and Richibucto. There were no signs of life.

The storm, described as the worst in 30 years, caught at least 50 salmon boats as it lashed the strait between New Brunswick and Prince Edward Island. The fleet was out in force to meet the heaviest salmon run in 10 years.

Two survivors were kept alive by an air bubble in the cabin of their overturned boat. Hilaire Gauvin, 25, and Germain Choiseau, 55, both of Lunenburg, were trapped in the cabin when their boat capsized. Another wave righted the vessel. Gauvin's uncle, Capt. Charles Gauvin, 53, was washed overboard.

Fishermen accused the weather bureau of failing to warn them of the approaching storm.

The Halifax Weather Bureau said day warnings went out Friday night, but the fleet was out by then.

The storm did hundreds of thousands of dollars to boats, nets and lobster pots, dealing a heavy blow to the local fishing industry.

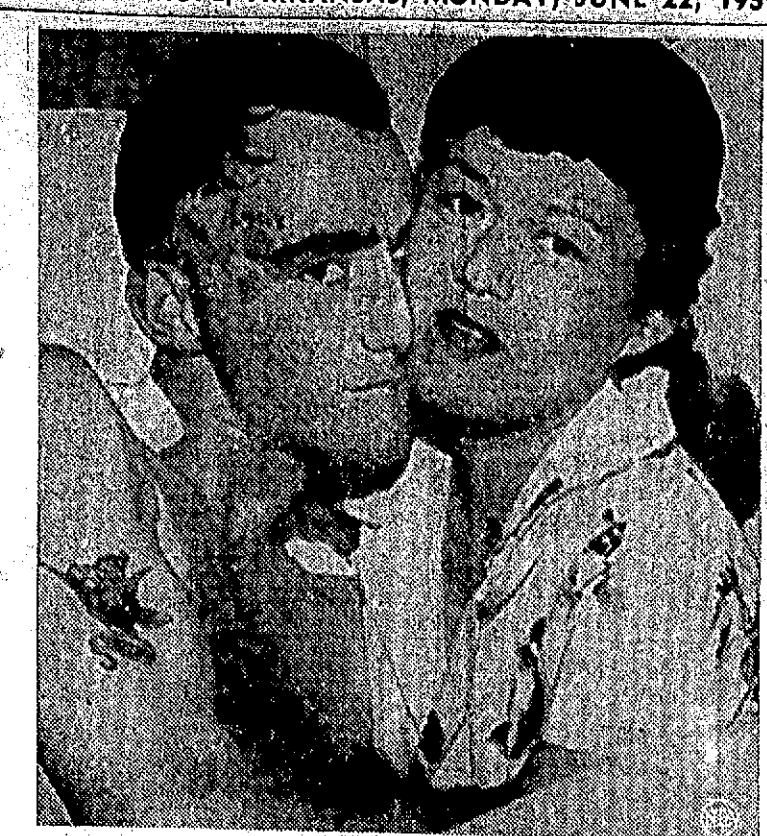

## Catholic Youths Name Officers

FORT SMITH, Ark. (AP) — Delegates to the State Catholic Youth Organization's convention yesterday elected Bill Kirk of Fort Smith as president of the group.

Other officers named were Joanne Williams of Little Rock, vice-president; Nancy Fritz of Fort Smith, secretary; and Lawrence Bagley of Fort Smith, treasurer.

Albert L. Fletcher of Little Rock installed the officers.

Approximately 150 attended the three-day meeting.

HUG FOR HUBBY — Tail gunner Donald E. Cordor, 20, of Jacksonville, Ill., is hugged by his Japanese wife. He is recovering in a hospital in Japan from shrapnel wounds received when his Navy patrol plane was attacked by MiG fighters over the Sea of Japan. — NEA Aerialphoto

## Envoy to Guinea Is Given Oath

WASHINGTON (AP) — John Howard Morrow, a Negro educator, was sworn in today as the first U.S. ambassador to the new state of Guinea.

Secretary of State Christian A. Herter, greeting the new envoy, said Morrow was going "with the full confidence of your country, behind you."

Herter said Morrow had a "very serious and important task" to carry out in the new republic, on Africa's West Coast.

## Complete Test of Atomic Rocket Engine

LAS VEGAS, Nev. (AP) — Nuclear scientists have made their first full-scale test of an atomic rocket engine—an experiment to verify radioactively given off and the effect of heat on the engine.

The scientists said the test was completely successful. More tests will be made.

The big engine, mounted on a railroad flatcar, was tested for four minutes Saturday at Jackass Flats on the Nevada atomic proving grounds northwest of here.

Newsmen watching from two miles away saw only four white plumes of smoke rising 1,500 feet. This was a contrived chemical effect so that two Air Force bombers could take air samples.

The engine is called the Kiwi-A, after the flightless New Zealand bird. The engine, like the bird, cannot fly. It is too heavy to fit into a rocket. Experience gained with this one is expected to pave the way for smaller ones capable of powering big rockets through space.

It is known that Atomic Energy Commission scientists at Los Alamos, N.M., are working on follow-up engines called Dumbo and Condor. They are believed to be flying versions of the Kiwi-A.

## Scientists Open Technical Talks

GENEVA (AP) — Scientists of the United States, Britain and the Soviet Union opened a technical discussion here today on possible ways to control high altitude nuclear weapons tests.

The scientists are to report within a week to the three-nation diplomatic conference drafting a test ban treaty. Their report is to form the basis for negotiation of the space-test articles of the treaty.

## All Around Town

By The Star Staff

A meeting will be held at Little Rock Tuesday, June 23, concerning Arkansas' new boating safety law. . . all county clerks and sheriffs have been called to the meeting. . . the new law goes into operation July 1. . . County Clerk Dick Turnage will attend the meeting and details of requirements will be forthcoming prior to July 1.

Arkansas Extension Entomologist reports the number of overwintering boll weevils counted is small in Southwest Arkansas. . . fields where weevils are found the count ranged from 200 to 300 per acre. . . helpful bugs are plentiful. . . aphids, plant bugs and spider mites are light.

Four States Wildlife Association of Texarkana plans its 2nd annual Fishing Roden June 26 through July 5. . . \$25 prizes will be given daily for the largest species of perch, crappie, black bass and sand bass. . . rules and etc. can be secured from any dock on Lake Texarkana.

According to State Health Department statistics heart disease is the leading killer, causing 3,500 deaths in the state last year. . . during the past four years, deaths due to cancer have decreased from 1,976 to 1,474. . . deaths due to nervous tension during 1957 totaled 2,244. . . accidents during 1957 caused 1,157 deaths in Arkansas.

A 1959 Oldsmobile stolen here last Thursday night from K. V. Atkins Jr., was recovered Saturday night at Benton, Louisiana. . . it was found abandoned and reportedly was in a running condition, according to local police.

Hope Masonic Lodge will confer an entered apprentice degree to night at 7:30.

## Youth Day at Local Station on Friday

Friday, June 26 is White Youth Visiting Day at the Southwest Branch Experiment Station according to Cecil M. Bittle, Assistant Director.

Youth will be visiting the Station from all over Southwest Arkansas, including some 17 counties.

The program will begin at 9:30 a. m. with a hayride on wagons to tour the research work in progress. Discussion on the tour will be conducted by County Extension Agents who will be visiting the station with their youth.

Mr. Bittle is asking visitors to proceed to the recreation area at the lake before unloading. The day's program will revolve around this area.

Special demonstrations will also be given in the morning. J. K. Ball, Extension Horticulturist, will talk about landscaping; conservation will be covered by George Purvis, Assistant Educational Director with the State Game and Fish Commission; and Dr. L. O. Warren, Associate Entomologist with the University of Arkansas, will discuss beekeeping.

Lunch may be purchased on the grounds.

The afternoon program will consist of talent numbers by the youth.

Mr. Bittle extends a cordial welcome to all white youth of Southwest Arkansas to be at the Station Friday, June 26 for an enjoyable day.

## Mrs. Jim Dodson, 76, Dies Sunday in Local Hospital

Mrs. Susie Elizabeth Dodson, aged 76, a longtime resident of Hope, died last night in a local hospital.

Survivors include her husband, Jim Dodson, two sons Jack of Texarkana and Ervin Dodson of Hope; four daughters, Miss Obera Dodson of Hope, Miss Ola Reed of Minden, La., Mrs. B. F. Benton of Hot Springs and Mrs. Bruce Ruchelle of Hope; two brothers, Carl and Grady Reese of Hope and one sister Mrs. George Johnson of Hope.

Funeral services will be held at 2 p. m. Tuesday at the Fifth and Grady Street Church of Christ by O. L. Painter. Burial will be in Memory Gardens by Herndon-Cornelius.

## Long's Attorney Sees Court Bid Early in Week

BAYON ROUGE (AP) — Gov. Earl K. Long's new attorney, Joe Arthur Sims, said today the governor's bid for freedom from a mental clinic might develop in the courts as early as Wednesday.

"I'm kind of thinking court action might be attempted by Wednesday," he said, "but I won't know until later."

Sims, an old political buddy and onetime attorney, general candidate on a Long-backed ticket in 1952, said he will see Gov. Long again this afternoon.

He visited the ailing Long the first time Sunday at Southeast Louisiana Hospital in Mandeville, the state institution where Long is confined.

Sims declined any comment on why the governor still wants to pursue legal action rather than seek the rest under hospital care physicians say he needs.

Gov. Lethor Frazier, meanwhile, still not clear whether he is acting governor, indicated he expected a legal answer to that headache Tuesday, instead of today.

Louisiana, faced with a tangled routine of government because of the presence within the state of her ailing governor, may find the answers to some momentous questions this week.

## Four Convicted for Rape Get Life Sentences

TALLAHASSEE, Fla. (AP) — All four white youths convicted of raping a Negro girl were handed life prison sentences today by Circuit Judge W. May Walker.

Life sentences were the maximum possible under the June 14 verdict of guilty with a recommendation of mercy.

The electric chair would have been automatic if the jury had returned a verdict of guilty without a recommendation of mercy.

No white man ever has gone to the chair in Florida or any other state for raping a Negro.

In pronouncing sentence the while-haired 54-year-old jurist told the four he had never imposed less than a death sentence or life imprisonment on conviction of rape.

The four youths paled as the sentences were pronounced but showed no other trace of emotion.

Under Florida law, parole from a life sentence is possible after six months but lifers convicted of rape customarily serve at least 10 years before being considered for parole.

The four drinking life sentences were William (Ted) Collingsworth, 23, a telephone company lineman; David Ervin Bingles, a husky 14-year-old high school senior; Patrick (Gene) Scarborough, a 30-year-old Air Force man and Ollie Stodumire, a skinny, pale-faced 18-year-old high school dropout.

Judge Walker told the four as he prepared to pronounce sentence, "You have been convicted of a very serious offense. It is an offense that is horrible and under horrible circumstances. The court feels sorry for you and for the prosecutrix (the 19-year-old girl). You are fortunate that the jury recommended mercy."

## Polio Official Warns About United Funds

HOT SPRINGS, Ark. (AP) — The president of the National Foundation urged voluntary health organizations last night to steer clear of ties with united funds and other similar organizations.

Basil O'Connor said the health groups "must be free to function without interference from united funds if they are to achieve major triumphs in research such as the Salk vaccine."

The 67-year-old New Yorker addressed the 44th annual convention of District 7 Region of B'nai B'rith, Jewish service organization.

Head of the Foundation when it was engaged primarily in the fight against polio, O'Connor said that without its freedom from outside control the Salk vaccine might not have been produced. He criticized what he called the united funds' tendency to "control the purse strings and therefore the research can be conducted. He said voluntary health groups should raise their own funds.

The district's Humanitarianism Award was presented to Mrs. Gladys Harrison of Chicago by Robert N. Banks of Pine Bluff, retiring district president. Mrs. Harrison is president of the Leo N. Levi Memorial Hospital at Hot Springs, an arthritic research and treatment facility.

## Austria Reds in Blast at Elvis

VIENNA, Austria (AP) — Elvis Presley and juke boxes and disc jockeys earned a full range of denunciations in Austria's Communist daily newspaper Sunday.

While the recess of the Big Four foreign ministers' conference in Geneva got only two paragraphs in Volkstimme's enlarged Sunday edition, Elvis rated a big picture and the heading "Tenn-ager—The Biggest Business."

"This business of disc jockeys and the juke boxes is a dirty one," said Volkstimme. "They trade and profit on such sweet sentiments as love and especially loneliness."

And as for Elvis, now a specialist fourth class in the U.S. Army in Germany, "He is not a singer at all, but a devil of the microphone."

## Arkansas' Accidental Death Toll 12

By THE ASSOCIATED PRESS

Two persons killed in a head-on collision and the crash death of a drag race driver pushed Arkansas' accidental death toll to 12 for the week ended at midnight yesterday.

Mr. and Mrs. Robert L. McCay of Fort Smith died instantly yesterday when their car collided with another at New Edinburg, near Fordyce. Their children, Janet, 16, and Robert, 11, were hospitalized at Little Rock in serious condition.

Four Negro men in the other car were injured. Police identified them as Samuel Parks, the driver, Van Jackson, Jesse Grady and John Broughton, all of New Edinburg. They were hospitalized.

State Trooper J. L. McLean said Parks was attempting to pass another auto when the collision occurred.

James H. Camp, 21, of Little Rock was killed when his racer hurled across the finish line of a quarter-mile race at an estimated 105 miles an hour and smashed into a tree. The accident happened about 10 miles south of Little Rock on U.S. Highway 67.

Deputy Sheriff Sid Stasibul said it was not determined exactly what caused the mishap. He quoted another unidentified race driver as saying the accelerator on Camp's roadster might have stuck.

The young driver had earlier won two races.

Other traffic accidents during the week took six lives, drowning two and one man was killed when his crop-dusting plane crashed.

## Alford-Hays Vote Probe Is Revived

LITTLE ROCK (AP) — A House subcommittee today opened its own investigation of last November's Alford-Hays election.

The four-member group went into executive session in its

**"MRS. AMERICA" JOINS BOY SCOUTS**—Mrs. William G. Giesse of Mayfield Heights, Ohio, the current "Mrs. America," fills out an application for membership in the new Boy Scout Women's Reserve. Checking the form is her Cub Scout son, Billy, 9. The women's reserve has been formed by the National Council so that women over 21 may show approval of the "outing" movement.

### Scottish Woman Has Quadruplets

GLASGOW, Scotland (AP)—Mrs. Jean Cole, 32, gave birth prematurely Sunday to quadruplets—two boys and two girls. The babies weighed between 4 pounds, 1 ounce, and 4 pounds, 1 ounce.

#### NOTICE TO BIDDERS

Sealed proposals addressed to the City of Hope, c/o G. G. McAdams, City Manager, will be received at the office of the City-Clark, City of Hope, Hempstead County, Arkansas, until 2:00 p. m. on the 1st day of July, 1959, for furnishing the following described equipment:

1—each Base station, complete and installed, including 60-watt remote control transmitter and receiver with three remote-control consoles, complete with microphones, high gain antenna system, and power transmission line. (City to furnish antenna support and control line for remote points) (Motorola CS3CKB-100A with C-3150 ant. or equivalent)

2—each Mobile radio units, 25 watt power output with complete transistorized receiver and power supply for low current drain. Standby current not to exceed 25 amperes from 12 volt system with provision for further reducing standby current when desired. Complete and installed. (Motorola Model U43HT-100A or equivalent)

2—each Portable transmitter and receiver units, one watt minimum R. F. power output, with speaker, microphone and extra duty dry battery pack. (Motorola Model H23AAC-101AM or equivalent)

2—each Monitor Receiver for 155.75 MC (Motorola L03FNB-1102A or equivalent)

1—each Monitor Receiver for 37.1 MC (Motorola L01FNB-1102A or equivalent)

1—each Monitor Receiver for 44.82 MC (Motorola L01FNB-1102A or equivalent)

All units must be standard manufacturer production models and meet all FCC and CDM (civil defense) requirements for matching funds program.

3—each Remote control console with microphone for use as remote control of above base station.

All bids received after the above stated time and date will be publicly opened and read. Any bid received after the above time will be returned unopened. The City of Hope reserves the right to reject any or all bids, to waive all formalities, and to award the bid deemed most advantageous to the City.

Sows	11-14
Feeder pigs	42-48

### Gives Advice to Governors About Russia

WASHINGTON (AP)—President Eisenhower today smilingly advised nine state governors leaving for the Soviet Union to "stay in good humor and don't get too mad" at Soviet officials.

The governors conferred with Eisenhower shortly before their scheduled departure for New York. They plan to leave there by plane Tuesday for Moscow by way of Paris.

Serving as spokesman for the group, Gov. LeRoy Collins of Florida told newsmen that Eisenhower predicted the delegation would encounter in the Soviet Union "an atmosphere in which some meaningful discussions" should result.

Collins added that the President gave the governors "a very realistic appraisal of some of the things he thought we would run into over there."

"I told him that if they didn't say anything about Robert E. Lee, then I wouldn't say anything about Lenin."

The governors are making the trip at the suggestion of the International Institute of Education and New York University. It is being financed by the Sloan Foundation and the Rockefeller Brothers Foundation.

### Five Die in Egypt as Building Falls

CAIRO, Egypt (AP)—A building tumbled on three mud huts in Cairo's Sayeda Zeinab district Sunday, killing five persons in the huts.

Eight quinces and arrived in a span of 22 minutes. Their condition was described as fairly satisfactory.

### Alford-Hays

Continued from Page One

The ballots will be received from officials of five of the six counties in the district. Vell County ballots are impounded at Danville in a dispute over a local-option election. Ashmore said the subcommittee would go to Danville "when we can find a convenient time."

The ballots will be inspected for any markings, stickers or irregularities. Ashmore said, then the panel will "look into charges in some precincts."

John F. Wells, a Little Rock publisher, said his attorney would that without his freedom from outside outlining the election law as applied to questions he brought before the committee this week to pass as charged that stickers used to put the name of Rep. Dale Alford (D-Ark.)—a write-in candidate—on the ballot did not conform to Arkansas election law.

Alford defeated Brooks Hays by 1,250 votes in the election.

### Hearing Begins of Industrial School Claims

LITTLE ROCK (AP) Lee Austin, an employee of the Negro Boys Industrial School at Wrightsville when 21 inmates burned to death last March 5, testified today that Supt. L. R. Gaines asked him to make a false statement about the tragedy.

Austin was the first witness called as the State Claims Commission opened a hearing into claims for more than a half million dollars filed by relatives of boys who died.

Gaines was expected to testify later.

Austin said that Gaines, since ousted as superintendent, asked him to say that he had been asleep in the dormitory with the boys but when the lights began flickering he went to his home to get a flashlight and that when he got back the building was on fire.

The witness said that actually he was asleep at his nearby quarters when he was awakened to be told the locked dormitory was afire.

Austin was questioned by former Gov. Sid McMath, one of the attorneys for the claimants.

Specifically, his testimony was concerned with the death of William Lloyd Piggie, 13, of De Witt.

By agreement, this case will serve as a pattern in determining if the state was negligent in the deaths.

In case of a finding of negligence the commission planned to devote remainder of testimony to determining amount of damages and who should receive each award.

Allowed claims would have to be appropriated by the 1960 Legislature before they could be paid.

The three-member Claims Commission is composed of Chairman Dave L. Ford of Fort Smith, James R. Campbell of Hot Springs and James A. Ross of Monticello.

### Convictions of Contempt Struck Down

WASHINGTON (AP)—The Supreme Court today unanimously struck down contempt convictions of three Ohioans on the ground they were entrapped by the Ohio Un-American Activities Commission.

By a 4-4 vote, the court upheld a similar conviction of a fourth Ohioan.

The convictions reversed were those of Talmadge Haley, Emmett Calvin Brown and Anna H. Morgan.

Affirmed by the tie vote was the conviction of Joseph Stern.

The contempt charges were based on the refusal of the four to answer questions during a 1957 state investigation of Communist activities.

The Supreme Court's main opinion by Justice Brennan said all Ohioans were entrapped when the chairman of the state commission told them they had a right to rely on a state constitutional privilege against self-incrimination.

In affirming the convictions, the Ohio Supreme Court said the four presumably knew that an Ohio immunity statute deprived them of the protection if the privilege.

Brennan said "to sustain the Ohio Supreme Court's judgment would be to sanction an indefensible sort of entrapment by the state—convicting a citizen for exercising a privilege which he state had clearly told him was available to him."

### Texarkana Appeals Phone Rate Hike

LITTLE ROCK (AP)—The city of Texarkana has appealed a Public Service Commission order granting General Telephone Co. of the Southwest a rate increase.

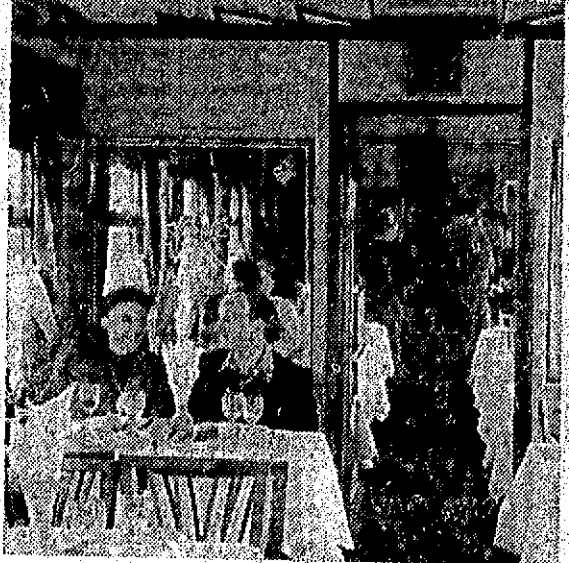

The city, in its appeal to Pulaski Circuit Court, claims the PSC erred in allowing the firm a rate increase to offset what it held was a \$303,053 deficiency in gross revenues.

The company had asked for a 422,000 increase, to be followed by a later \$150,000 boost.

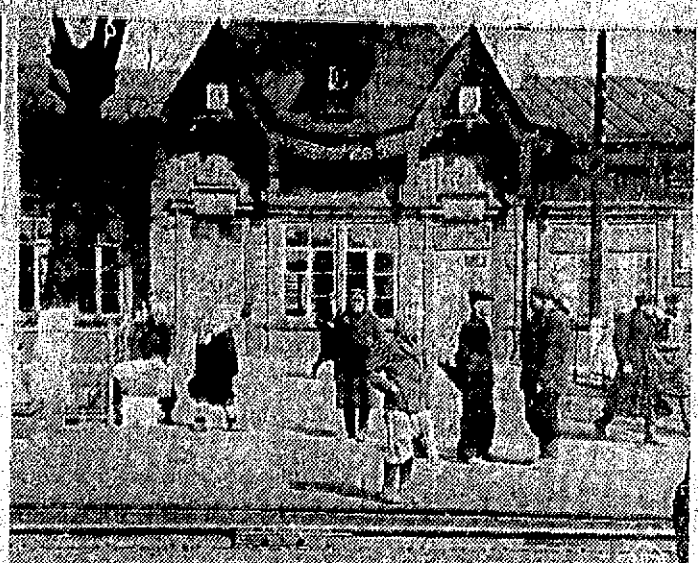

In Arkansas, the firm owns exchanges in Augusta, Blevins, Cotton Plant, Marvel, McCrory, Prescott, Taylor, Texarkana, Waldo, Waterloo and Wheatley.

The Texarkana appeal asks that the rate schedule be suspended and the PSC order vacated.

### RUSSIA ON WHEELS... (5) Whistle Stop, U.S.S.R.

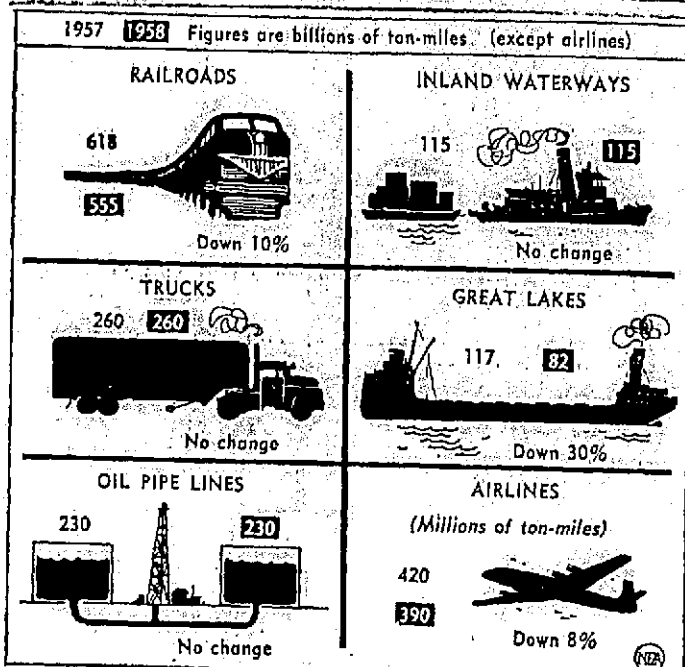

The Soviets are stepping up the development of rich Siberia, a land larger than the United States. This is reflected in increased passenger travel. From Moscow in western Russia across Asia to Siberia is a trip of about five days. For those who can afford it, train travel can be pleasant. Picture at left shows the interior of the dining car on a luxury train on the trans-Siberian line. At stops along the way, crude lunch facilities offer local delicacies to travelers.

elers, center. Pajamalike garb on man at left is typical travel wear worn by Russians for comfort on a long trip.

With minor architectural (and clothing) changes, this building, right, could be a suburban station in the United States. Actually, it is in Taiga, Siberia. Once the end of the world for many, Siberia is now Russia's frontier.

The End.

**LIGHTER LOADS IN '58**—The business recession and decline in the nation's gross national product can be blamed for a falling off in the amount of goods moved last year. So says the U.S. Chamber of Commerce, which reports an over-all decline of 7 per cent in the commodity transport field. Chart above lists the records of major carriers. Total ton-miles were 1,340 billion in 1957 and 1,242 billion in 1958.

### Prescott News

**J. T. McRae Appointed Rotary Committee**

The regular Tuesday Rotary luncheon was held at the Lee Hotel. One guest and 31 members were present. J. H. Robertson gave the invocation.

John Thomas McRae, president-elect was program chairman for the new year beginning July 1st. He gave specific instructions and what they are expected to do the year ending June 30, 1960. Mr. McRae laid stress on the Object of Rotary. To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupation; and the dignified use of each Rotarian of his occupation as an opportunity to serve society.

Third: The application of the ideal of service by every Rotarian to his personal, business and community life.

Fourth: The advancement of international understanding, good will and peace through the world fellowship of business and professional men united in the ideal of service.

Bill Jones of Natchitoches, Texas was a guest of Bill Oates.

**Fidelis Class Meets With Mrs. Buford**

The Fidelis Class or the First Baptist Church met at the home

of Mrs. Jake Buford for a social meeting on Tuesday evening. Mrs. Billy Don Simpson and Mrs. W. L. Payne were assisting hostesses. Summer blossoms in graceful arrangements decorated the room.

Mrs. Charles Arnold conducted the business session and Mrs. Al Martindale led in prayer. The devotionals were given by Mrs. Kenneth Reeves. Several games were directed by Mrs. Bobby Whitmarsh.

The members presented Mrs. Reeves with a pink and blue gift. Dainty refreshments were served from the dining table covered with a lace cloth. A bowl filled with gladiolus formed the centerpiece.

W. C. Woosley was a Wednesday business visitor in Little Rock.

Mr. and Mrs. Lige Martin returned from El Dorado Wednesday where they were the guests of Mr. and Mrs. Allan Jones.

Dr. and Mrs. O. G. Hirst have returned from Sherman, Texas where they were the guests of Mrs. J. S. Eubanks.

Mr. and Mrs. C. R. Gray and children have returned from Newport where they were the guests of Mrs. C. R. Gray. While they attended a '39 Class reunion.

Mrs. H. H. McKenzie returned from Texarkana Wednesday where she underwent surgery at St. Michael's Hospital.

Mr. and Mrs. Howard Lusby and Carol Jane of Little Rock were the Wednesday guests of Mrs. Fannie Newth and Mrs. Mildred Dawson.

Mr. and Mrs. Dudley Gee, Bobby and Mary Ethel of Little Rock spent Wednesday with Mr. and Mrs. Imon Gee and other relatives.

Mrs. Herbert Dawson Jr. and son, David of Little Rock were the guests Wednesday of Mr. and Mrs. A. E. McGuire and Mrs. Mildred Dawson.

Mrs. Lester Steed and Mrs. Jimmy Duke spent Wednesday in Murfreesboro with Owen Duke who is ill in Pike County Hospital.

### Former U. S. Grid Star Becomes Hero

ROME (AP)—Former football star John Sims (Shipwreck) Kelly—robbed in Kelly green—rushed American and European tourists from an early Sunday morning hotel blaze that took three lives.

"To everyone he was the man in the green bathrobe—the man who did most to get the guests out of their rooms," said Charles M. Gilman of Gilman, Conn.

The ex-footballer at the University of Kentucky, now 48, made repeated trips back into the hotel to warn other guests and help them out.

He himself said he "didn't do anything but wake people up" after hearing the screams of hotel maids as they jumped or fell from the top story of the five-floor Ambassador Hotel on Rome's famed Via Veneto.

The dead and two injured were employees of the hotel.

Although some of the guests managed to pack their bags before fleeing to the street, a few slipped into the first thing they could grab, Kelly's wife, the former Carol Henon of Boston.

## You get the BIG comfort dividends in your 59 FORD...

Some cars' door openings aren't shaped to fit people! So you have to squirm and wriggle... make your body conform to the car when getting in and out.

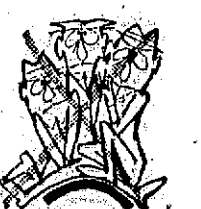

**NO SQUIRM**

Doors in 59 Fords are wider—up to six inches wider—and door openings are contoured to fit you! You get in and out of a Ford with greater ease and comfort. The girls really like Ford's doors... for more graceful entries and exits.

To gain a low roof line, some cars end up with higher floor "humps" and thinly padded rear seats... a combination that's mighty rough on the middleman.

**NO SQUEEZE**

Fords have useable seating space for six big people. The driveshaft tunnel is lower and rear seats are deeply cushioned all the way across. This means more comfort for all passengers... especially for the man in the middle.

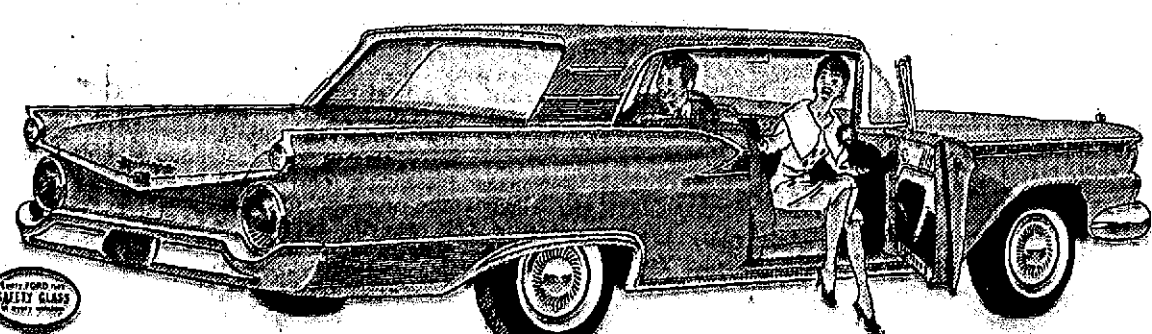

The squeezed-down, shimmy roofs of some cars aren't comfortable even for bare-headed riders. And they don't keep out excessive sunlight and glare.

**NO SQUASH**

See how much more head room Ford has. Even big six-footers sit up straight without touching the roof. And Ford's big roof protects all passengers, in both front and rear seats, against the discomforts of excessive glare and heat from the sun.

Comfort-test the World's Most Beautifully Proportioned Cars... World's Most Popular Cars... the 59 Fords

# Welcome Tourist' Program Revived

The sounds of police sirens on Highway 67 West Thursday morning, marked the opening of the Hope Chamber of Commerce "Welcome Tourist" program for 1959.

The first recipients of Hope Hospitality, offered by E. L. Archer's Tourist Committee, were Mr. and Mrs. Donald Tyree and two year old son, Wesley, of St. Louis, Missouri. Actually, the Tyree family was en route to St. Louis from Austin, Texas, where Mr. Tyree had recently been awarded his Doctor's Degree in Banking and Finance from the University of Texas. While working toward his degree, Mr. Tyree had been lecturing at the University. He recently accepted an associate professorship at St. Louis University in the field of Banking, Finance and Real Estate.

Those participating in Thursday's program in addition to committee Chairman Archer were: Harrell "Bud" Collier, Duffie Booth, Mr. and Mrs. John Harrie of Shipley's Studio, Mrs. Mildred Reives of Mildred's Pastries, Bill Davis of Davis Pontiac, Richard Hogue of Hogue's Esso Station, Jim City of Radio Station KXAR, Tarpley's Motel, Chamber of Commerce President, John L. Wilson and Mrs. Wilson, Mr. and Mrs. B. N. Holt and Mr. and Mrs. Dave Stroud of the Ideal Cafe who served the group a delicious fried chicken dinner with all the trimmings. Gifts to our touring friends were provided by the Hope Hickory Company, Southwest Wood Products Company, Hope Locker Plant and Mildred's Pastries.

Mr. Tyree stated that he was concerned that he might have an overloaded car was the reason for being stopped by the police, but when he learned of their good fortune he was much relieved. They had planned to stop in Hope for lunch anyway so it all turned out to be a lucky break for them.

Mr. and Mrs. Charles Reynerson returned home Saturday from Amarillo, Tex., where they visited her father, O. E. Silver. They were accompanied by Mrs. Lloyd Willis and children of Dallas, Tex., on the visit.

Justice and Mrs. Edward McFadden of Little Rock were the Sunday guests of Ross Gillespie.

Miss Susan Hoffman and Tony Boyett, both of Searcy, were the weekend guests of Mr. and Mrs. Comer Boyett.

Mrs. J. C. Carlton has returned home from a visit with her sister, Mrs. R. L. Hamilton, in Wesson, Miss. She made the trip with Cary Carlton and daughter, Susan, of Albuquerque, N. M.

Miss Judy Hammons of Dallas, Tex., has joined other members of her family this week at Mr. and Mrs. Foy Hammons' home.

## Copter Crashes in China Sea, 7 Dead

SINGAPORE (AP) — A helicopter crashed in the South China Sea Sunday night with a drilling crew of the Brunel Shell Petroleum Co. Ltd. The company announced today seven persons, including the pilot, are believed dead. The crash came a mile off Seria, Brunel, a British protectorate of northwest Borneo. The wreckage was found in 24 feet of water.

## Top Australian Scientist Dies

MELBOURNE, Australia (AP) — Sir Ian Clunies Ross, one of Australia's top scientists, died in a hospital here Saturday night of a heart attack. Ross, 60, was chairman of Australia's Commonwealth Scientific and Industrial Research Organization.

It said that last year, after Yugoslavia's partial reconciliation with the Soviet Union went sour, the U.S.S.R. suspended a 10-million-dollar credit for industrial plants and a 175-million-dollar

## Brothers With Bombs Sought by Police

ST. LOUIS, Mo. (AP) — Two brothers said to be armed with homemade bombs were sought today by police throughout the St. Louis area.

A pickup order was broadcast for James F. Hecker, 23, and Joseph S. Hecker, 17, both of suburban Webster Groves, after a bombing incident Sunday at the St. Louis Arena.

Their brother, Gerald, 20, was arrested when a private watchman surprised three young men inside the building. But two of them escaped when one tossed a bomb as the watchman was telephoning police. No one was injured.

Mrs. Dorsey Hecker, mother of the youths, made an appeal over radio station WIL for her sons to surrender before they become involved in more serious trouble.

At the arena police recovered several sticks of dynamite, fuse caps, and burglar tools. Entry had been gained by a hole cut through the roof of the building. Coin boxes on several coin-operated machines had been broken open.

Fish sleep with their eyes open because they do not have eyelids.

# DOROTHY DIX

Playboy Hubby Seeks Bachelor Life Again

Dear Dorothy Dix: My husband works five months of the year, while I work 12. For many years he was a heavy drinker and often beat the children and me. Now he has stopped and has started another life. He has two girlfriends and is willing to date any one who will go out with him. He wants me to leave town and take the children. If I stay, he won't bother me. I feel that I have the furniture and don't ask for anything. What should I do? — Winnie

Dear Winnie: If you even listen much less agree to a proposition like that, you must be soft in the head. If hubby wants to go back to the carefree days of bachelorhood, he'll have to pay for it. Leave with the kids, let him have the furniture if he wants it (especially if it isn't valuable) but don't give up your right to support. Get a legal separation, with everything written in black and white so even a goon like your husband can understand it.

Dear Dorothy Dix: All our children are married and have families. We all get along beautifully, with a fine feeling of belonging to each other. The one exception is a daughter-in-law who looks upon everything we do or say with suspicion, disapproval and complaints. She has caused constant friction which is hard for all of us. We've known this girl for 12 years. What can we do to change her? — Dee

Dear Dee: There's at least one in every family—just be thankful that there's only one in your large clan. Time will probably mellow the malcontent and all you can do is pray that the good Lord will let you see the day. You have many blessings that countenanced this one cross. Enjoy them gratefully.

Dear Dorothy Dix: I'm 20, good looking, and very much to love with Bob. He is 40 and is going to leave his second wife for me.

Dear Bob: There's at least one in every family—just be thankful that there's only one in your large clan. Time will probably mellow the malcontent and all you can do is pray that the good Lord will let you see the day. You have many blessings that countenanced this one cross. Enjoy them gratefully.

## New Unit for TB Hospital Planned

LITTLE ROCK, Ark. (AP) — Collie, Inc., of Little Rock will build a 48-bed unit for tubercular children and a separate nurses' home at the Melroe Tuberculosis Sanatorium for Negroes at Alexander.

The Sanatorium board yesterday awarded the firm a \$172,235 contract for the work on the lowest of seven bids.

Well, be married as soon as the divorce is final. Do you think it will work? — V. V.

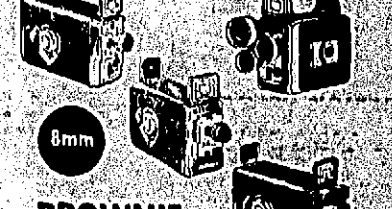

Dear V. V.: You know, I don't know. You'll just be with No. 3 who will be deserted for wife No. 4. This guy is a legal and not very moral—Bluebeard.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper.

Aaron Hitting  
Again, Braves  
Start Clicking

By JOE REICHLER  
Associated Press Sports Writer

All's well again with the Milwaukee Braves. Henry Aaron is hitting again.

For a full week Aaron's bat was still as his average dropped from .408 to .380. The Braves went right down with him, losing first place to San Francisco after holding the lead for more than a month.

Aaron got only a single Saturday as the Braves defeated the Giants to regain first place. But it was different Sunday. Hammering Hank blasted three home runs, each with a man on base, and the Braves pummeled the Giant 13-3 to open up a game and a half lead.

The three home runs raised Aaron's batting average to .391, boosted his home run output to 19 and his runs batted in total to 31. Doc Crandall and Johnny Logan also homered to make it easy for Warren Spahn to register his ninth victory against eight losses. Johnny Antonelli, victim of a five-run burst in the first inning, was charged with his fourth defeat. He has won 10.

Pittsburgh's third place Pirates split with St. Louis, winning 10-3 after the Cardinals had taken the opener 5-1. Cincinnati walloped the Los Angeles Dodgers 17-3 and the Chicago Cubs shut out the Philadelphia Phillies 4-0 behind Johnny Buchardt's one-hit pitching.

Cleveland opened up a two-game lead in the American League, sweeping a doubleheader from the New York Yankees 4-3, and 5-4 in 14 innings. Chicago took second place, defeating Boston 3-2. Washington climbed out of the cellar by thrashing Detroit 4-3 and Kansas City, behind Ned Garver, stopped Baltimore 7-0.

Don Newcombe put on quite a show in Los Angeles. The big Cincinnati right-hander, traded by the Dodgers last June, registered his 12-5 eighth victory and seventh in succession. He got four hits in four times at bat, driving in four runs and scoring three.

Catcher Danny Kravitz had 5-for-5, including three doubles, in San Francisco, 89.

Doubles — Cimoli, St. Louis, 28; Aaron, Milwaukee, 35.

Triples — Dark, Chicago, Pinson, Cincinnati, and White, St. Louis, 6.

Home runs — Mathews, Milwaukee, 22; Banks, Chicago and Aaron, Milwaukee, 19.

Slots bases — Neal, Los Angeles, 12; Blasingame, St. Louis, 11. Pitching (based on 5 or more decisions) — Fane, Pittsburgh, 11-0; Elickson, Chicago, 11-0; Strikeouts — Drysdale, Los Angeles, 11-0; S. Jones, San Francisco, 88.

Chattanooga now owns an 8-4 record, plus a 14-inning tie, for overtime games. The Lookouts have to go into extra innings about every five days.

Birmingham upped its Southern Assn. lead to a game and a half over New Orleans by beating the Pels 5-3 behind Wymann Carey, who posted his seventh victory in eight decisions. Atlanta rallied for its 1946 between Mobile and Nashville slugged Shreveport 10-5.

Records on the subject are hazy, but the sabbath marathon at Memphis may have set a new mark for length of playing time. Chattanooga and Atlanta played a 23-inning tie in 1919, but that one only 3½ hours. And the longest night game, a 21-inning benefit of the welfare type plus Atlanta, was played in 4½ hours.

## Matter of FACT

In 1788, Richard Henry Lee suggested the organization of committees of correspondence between the different colonies. This prepared the way for the first Continental Congress in 1774, of which Lee became a member. He introduced, in 1776, the celebrated motion in the Congress at Philadelphia that "these United Colonies are, and of right ought to be, free and independent states absolved from all allegiance to the British crown."

Fenwick Fires  
Sub-par for  
Meet Honors

Henry Fenwick fired a one under par 67 Sunday to take medalist honors in the quality round for the June 28 golf tournament to be held at the Hope Country Club. Homer Beyerley was a close second with a 68, and Larry Bruce landed in third place with a 69. Forty-two golfers qualified Saturday and Sunday.

Several players were out of the city over the weekend and were unable to play their qualifying round. As a result, the final day for qualifying has been moved up to Wednesday, June 24. Final results, along with pairings and tee-off times, will be announced in the star Friday.

Lookouts Only  
Ask for a  
Normal Game

By THE ASSOCIATED PRESS  
An exhausted bunch of Chattanooga Lookouts headed for Shreveport today hoping for a few quiet normal baseball games of the regulation, nine-inning variety.

The Lookouts played their sixth overtime game of the last 11 yesterday, and it was a dilly. Memphis won it 6-5 in 21 innings when Elito Toboso singled to close the 5-hour and 38-minute marathon. The Cuban outfielder's drive enabled Earl Allie to score from second base.

Chattanooga now owns an 8-4 record, plus a 14-inning tie, for overtime games. The Lookouts have to go into extra innings about every five days.

Birmingham upped its Southern Assn. lead to a game and a half over New Orleans by beating the Pels 5-3 behind Wymann Carey, who posted his seventh victory in eight decisions. Atlanta rallied for its 1946 between Mobile and Nashville slugged Shreveport 10-5.

When to Fish or Hunt  
Solunar Tables

By John Alden Knight  
When to Fish or Hunt  
By John Alden Knight

The schedule of Solunar Periods as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major Periods are shown in boldface type. These begin at the time shown and last for an hour and a half or two hours thereafter. The Minor Periods, shown in regular type, are of somewhat shorter duration.

Indians Gain  
With Twin Win  
Over Yankees

By JOE REICHLER  
Associated Press Sports Writer

The Cleveland Indians owned their biggest lead in the American League since May 26 today and they owe it to the determination and the strong right arms of pitchers Cal McLish and Jim Grant.

It was McLish and Grant who showed up the on-rushing New York Yankees Sunday by pitching the Indians to a doubleheader sweep, 4-2 and 5-4 in 14 innings. The victories boosted the Indians' first place margin to two games over Chicago and shoved the defending champion Yankees back into the largest crowd of the major league season — 68,680 Yankee Stadium spectators — sat through seven hours and 14 minutes and saw McLish and Grant go all the way, although giving up 25 hits between them.

McLish started his seventh victory despite following 11 hits in the opener. He left 13 Yankees stranded. Grant hurled all 14 innings in the pitcher's box, winning his fifth as he yielded 14 hits. He left 12 Yankees stranded.

Billy Pierce pitched the White Sox into second place, with a 3-2 triumph over Boston that dropped the Red Sox into the American League cellar. Two percentage points behind Washington. The Senators climbed up to seventh by thrashing Detroit 4-3 and 7-3. The double defeat lowered the Tigers into a third place tie with Baltimore, which bowed to Kansas City 7-0.

Washington's Braves opened up a game and a half lead over San Francisco in the National League. They thrashed the Giants 13-3. Pittsburgh's third place Pirates split a doubleheader with St. Louis, winning 10-8 after the Cardinals had won the opener 4-1. Cincinnati walloped Los Angeles 17-3 and the Chicago Cubs blanked the Philadelphia Phillies 4-0 behind the one-hit pitching of Johnny Buchardt.

Home runs — Colavito and Vic Power shared the hitting honors for the Indians. Each hit two homers, one in each game. Colavito's first game homer, with a man on base in the third inning, proved to be the winning blow. Power's second

homer came in the 14th inning of the nightcap and snapped a 4-4 tie. The blow came off Jim Coates, third Yankee pitcher, who had given up a run in the 13th only to have the Yankees get it back in their half of the inning.

The double defeat dropped the Yankees into fifth place, 3½ games off the pace. A sweep would have boosted the Yankees, who had won five straight, and 17 of their last 23, into first place by half a game.

Pierce won his eleventh game with a six-hitter against the Red Sox. He got one of Chicago's seven hits and drove in what proved to be the winning run with a force play in the fourth.

Boston had the tying run on second with one out in the ninth but the veteran southpaw disposed of the next two batters without further damage. Home runs by Harry Simpson and Sammy Esposito accounted for Chicago's first two doubles.

Washington's double win was its first of the season. The Senators overcame a 3-0 deficit in the opener, then scored the winning run in the ninth when Detroit pitcher Killebrew's scout let Harmon Killebrew's two-out grounder with the bases full go through his legs.

A home run by rookie Bob Allison, his 18th, featured Washington's six-run blast in the fourth inning of the nightcap. Ray Sievers also homered for Washington, the 200th of his career.

Veteran Ned Garver not only pitched a three-hit shutout for Kansas City, but hit a home run, double and single as the A's doubled loser Arnie Portocarrero and Billy Hoelt for 16 hits.

Newcomers  
Win in Track  
Competition

By FRANK PITMAN  
BOULDER, Colo. (AP) — The Stars and Stripes will be carried into international track and field competition this summer by a balanced array of veteran champions and bright young newcomers.

The athletes who finished 1-2-3 in the National AAU Championships during the weekend will represent the United States in the Pan-American Games at Chicago beginning Aug. 28.

The top two finishers meet a Russian dual team in Philadelphia July 18-19. Other leading performers were picked on squads to tour Germany and Scandinavia.

homer came in the 14th inning of the nightcap and snapped a 4-4 tie. The blow came off Jim Coates, third Yankee pitcher, who had given up a run in the 13th only to have the Yankees get it back in their half of the inning.

## Standings

**Matter of Fact**

The Mohammedan religion is based on the Koran, the name given by Mohammed to the revelations which he claimed Allah or God made to him through the angel Gabriel. Mohammedans believe that the original text of the book is in heaven and that Gabriel dictated the sacred words from it. The revelations were begun while Mohammed was at Mecca in 610 A.D. They were completed at the time of his death, in 632, at Medina.

# Journey To Love

By VIRGINIA NIELSON

(C) 1959 by Virginia Nielson Distributed by NEA Service, Inc.

Alex helped her aboard, then stepped lightly down into the dinghy and began handing up the packages of grocery bags.

The tiny galley was smaller than her cramped clothes closet on the farm, and yet it had everything a kitchen should have. Alex showed her his own system for stowing the food in the locker and then put on the coffee pot.

While it heated, he took her down into the master cabin. It was as compact as the galley, with two built-in chests, two double-decker bunks, and a lavatory.

She could understand his remark about the Wikiki losing her glamour during the war. The mahogany paneling was scratched and marred, but the sections of it that Alex had scraped and sanded and revarnished shined with the dull gleam of old satin.

"The hull is good," he boasted.

REPELLING AN INVASION—Panama National Guardsmen set up guns as they approach the jungle-bound Caribbean village of Nombro de Dios. They were taking no chances even though the tiny Cuban force which was "invading" Panama had pulled out of the area. Panamanian government promised severe penalties after an Organization of American States team came down from Washington and induced the main invasion force to surrender quietly.

## Little League Schedule

The Little League Baseball schedule for 1959:

Tuesday, June 23  
Lions vs Coleman  
Midwest vs CBC  
Owens vs Pop Kola  
Friday, June 26  
Owens vs Midwest  
Pop Kola vs Coleman  
CBC vs Lions  
Tuesday, June 30  
Lions vs Midwest  
Coleman vs Owens  
Pop Kola vs CBC  
Tuesday, July 7  
CBC vs Coleman  
Midwest vs Pop Kola  
Owens vs Lions  
Friday, July 10  
Lions vs Pop Kola  
Owens vs CBC  
Midwest vs Coleman  
Tuesday, July 14  
Coleman vs Lions  
CBC vs Midwest  
Pop Kola vs Owens  
Friday, July 17  
Lions vs CBC  
Midwest vs Owens  
Coleman vs Pop Kola

All postponed games will be played at the end of the season and will not interrupt the regular schedule.

Teams listed first on the schedule will be the home team.  
First game 6:00 p.m.  
Second game 7:15 p.m.  
Third game 8:30 p.m.  
Time limit will be 1 hour. Any inning beginning before the time limit has expired will be completed. The Umpire is chief in decision as to time limit and will be final.

## Matter of FACT

When Michelangelo was a young boy in Caprese, a small town near Florence, Italy, he knew he wanted to be an artist. His father looked on painting as a common "trade." In spite of this, Michelangelo became one of the greatest painters and sculptors of all times. When he died in 1564, he left behind him works of art that are among the most treasured in the world.

Special TV Show

to Star Godfrey

NEW YORK (AP) — A special one-hour television show is being planned to star Arthur Godfrey, who is convalescing from a lung cancer operation performed April 30.

The show is set for Sept. 16 from 10 to 11 p. m. Eastern Daylight Time. The type of show has not been disclosed. Presumably it will be in the nature of a welcome for Godfrey returning to television.

The Tokyo-Yokohama earthquake of 1923 demonstrated to Japanese the superiority of steel and concrete buildings.

Welcome to the party!

The Six Point Program is one year old — and there's plenty to celebrate. Every town in Arkansas with a population of 2,000 or more — and many smaller ones — have signed up for the AIDC-sponsored program for industrial preparedness. And forty-five of these communities have completed one or more parts of the program!

## Faubus to Take Rest in July

LITTLE ROCK (AP) — Gov. Orval E. Faubus doesn't plan to spend much time at the capitol in July.

Faubus told newsmen yesterday he planned to spend the month resting and doing work he couldn't get done at the capitol.

The governor returned to his office yesterday after a week-long speaking swing through Alabama, Mississippi and Louisiana.
